### MESSAGE FROM:

"I want to take a moment to say, 'Thank you,' to all of our students and their families for your patience, flexibility and understanding as we undergo improvements to our school building. I know it is not always easy to have to adjust and make alternate plans for your children / family when unexpected circumstances arise, especially circumstances that impact the school day. Believe me, your sacrifices over the past two weeks have not been lost on me, the rest of the Administration, Faculty and Staff at IAA. I can assure you that once the 'dust settles' on the various projects we have going on at the school, we will have a school, building and environment that we will all be VERY proud of!  
Cougar Pride!"
