Message From IAA:

National School Choice Week, January 25 - February 1, 2025
Every child deserves a quality education. National School Choice Week (NSCW) informs, inspires, and empowers parents to discover the K-12 education options available for their children, including traditional public, public charter, public magnet, online, private, and homeschooling.

We observe National School Choice Week to recognize that every child is unique and learns in their own way. With school choice, students can find an educational setting that inspires them, fosters success, and ensures their happiness.

Enrollment for Grades 6-12 is Now Open for the 2025-2026 School Year!

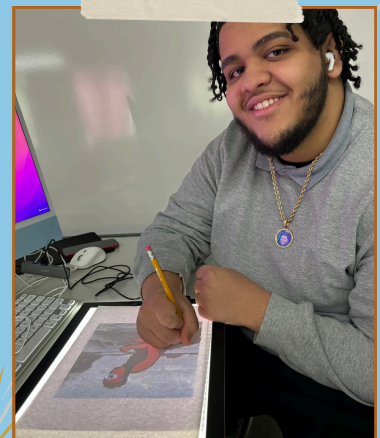

For more information, contact us at 610-403-2787, ext 105 or email gmorris@iaacslv.net.

Center for Humanistic Change is an organization located in the Lehigh Valley. Their educational philosophy is based on a holistic learning model known as humanistic education, which seeks to engage people intellectually, emotionally, and behaviorally. They believe that people are inherently good and have the potential to live fulfilling lives. They also believe that, given the right tools, individuals can make positive choices and positive changes in their lives, have healthy relationships, and avoid destructive behaviors such as substance abuse, dependence, and violence.
