### Message From IAA:

Dear IAA community,

As the holiday song says, "It's the most wonderful time of year!" Indeed it is for all of us to be grateful for the opportunity we have to lead and serve our community of students and families, and to celebrate our children's continuous growth and accomplishments. Every day I am reminded of the talents of our students and I am encouraged by their persistence, resilience and commitment to reaching their goals. If you haven't taken the time to connect with us, we invite you to do so, because TOGETHER is how we ensure the best outcomes for OUR children. Please don't hesitate to reach out to us for support of any kind. Also, stay up to date and help us celebrate the great things happening at IAA by following us on our social media platforms. As we reach the end of 2024 and bring in 2025, I want to thank you all for being a part of our extended family and I wish you and yours the happiest of holidays and many blessings in the new year!

Sincerely,  
Michael G. Makhoul  
Middle School Principal & Director of Special Education
