ESports Arcade Season Overview

On March 12th, our captain, Lukas Melendez, took a loss in the first match - but the game was incredibly close. Xavier Bueno Sanchez then took the next match with flying colors, his "Steve" (character of choice) was really strong! Next up was Raymi Payano. Our opponent chose the same character as him - but Raymi proved he was the better player! He took the second win of the set. Lastly, we brought Xavier back in for match 4. He "3-stocked" their best player! This means that Xavier won against our opponent without losing a single life - a clean win. Finally our opponent didn't know what to do. They switched characters and it didn't matter for Xavier. He took the final game and the room REJOICED! IAA's first win!

After a long hard fought season, the IAA Smash Team took a loss in their final match on 4/2 in a VERY close defeat. The highlight was our captain, Lukas Melendez, winning his first match against his opponent from Cocalico High School! The sets are best 3 out of 5 matches, and each match is best 2 out of 3 games. The set went literally to the last match, last game, last stock!

Dancing with the Students

IAA's Dancing with the Students event on March 27th was a success! Mrs. Fulmer and Level 2 dancer Aaliyah Modesto took home the winning mirrorball trophy, along with the people's choice award. Our runner up Ms. Wheatley and Level 1 dancer Nicole Vega took home the Judge's award. Last but not least, Mr. Caracciolo and Level 3 dancer Ariana Castillo took home the spirit award for their hard work and dedication through their practices. Congratulations to all winners, and Thank You to all those who have participated in this amazing event!
